

## Death in a Minute

### Description

2 or 3 players play a 1 minute scene, in which one player must die.

### Notes

Tell players to take risks. Why not just drop dead after 5 seconds and leave it up to the other player to justify the death.

### Variation

Split the class into groups of 4/5, and devise a one minute play where someone dies at the end. It can be funny, sad or completely mad. After playing the game, bring everyone back together and discuss what they liked about the stories, and the ideas. Focus on what characteristics made them memorable.
