List of possible ideas for story lines, individual scenes, dances, costumes, props, locations, characters, or any other crazy idea you and your group can think of. Everything is ok, as long as it is school appropriate. If in doubt, don't say it or write it down. Please keep your scenes appropriate for all audiences. This should be a family musical. We should be able to invite little kids, our parents or grandparents, our teachers, as well as the administrators to see our performances. *You can be creative and still be appropriate for all audiences.*
