

## Mini Musical Plan

Please write 7 paragraphs that are at least 4 sentences each describing the 7 scenes in your group's musical. Each sentence must describe a part of the action in your musical. Simply saying that a character sings or speaks does not count as action. I want to know what the characters are doing. Each sentence should refer to the action in the scene. Acting is doing and Acting is reacting. What are your charactering doing or reacting to in each part of your mini musical? You can complete this assignment by using the following outline, but all points need to be in complete sentences. Each Roman numeral and letter is worth one point for a total of 28 points for this assignment. Additional quality work may be awarded extra credit.
